Versatile lighting in a stylish design - The ZENO ceiling light impresses with three parallel, elongated elements that can be easily pulled apart to customise the light to your needs and the room. In addition, six movable spotlights offer further options for targeted lighting design in your living space. The remote control supplied allows you to conveniently control the light colour and brightness from a distance. The black matt metal gives the light an elegant and modern look. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.
